Welcome Message

Dear Colleagues and Friends,

A bright new season has begun. We hope you are enjoying this warm and beautiful spring. One year later from now, 17th Korea-Japan Joint Meeting of Otorhinolaryngology-Head and Neck Surgery will be held as the spring blossom again. We are delighted to invite all of you to Gwangju, Korea from April 6 to 8, 2018.

We are doing our best to put together many programs that will cover from most practical subjects to uprising researches. Outstanding speakers from Korea and Japan will be invited to provide their deepest experience. Sessions will be organized for efficient exchange of the up-to-date therapeutics in the Otorhinolaryngologic field.

Gwangju is a city that possesses many historical places of Korea as well as modern arts. And it is famous, even in Korea, for good tastes. Moreover, Gwangju will present you the most beautiful scenery of the spring. With all our hearts, we invite you to Gwangju KJJM 2018.
